Truffles, Truffles, Truffles!

The year seven's in Room 3 and 4 worked in small groups to create, make and present truffles to be judged. The students worked together to bake a truffle that would "WOW" the judges with taste, presentation and originality. The winners of our competition were, Jake Nelson, Sam Shierny, Joshua Hand and Dylan Muir. This is there winning recipe...

2T milo

The Bread Tag Story

Collecting bread tags enables us to provide wheelchairs that change the life of disabled people in need, as well as keeping the tags out of landfill to help to preserve the environment.

Bread Tags for Wheelchairs was started in South Africa in 2006 by Mary Honeybun. It is a community program where individuals and organisations collect bread tags, which are sold to a South African plastics moulding company, Zibo. The bread tags are recycled and used in the manufacture of seedling trays. The money raised pays for wheelchairs for the less fortunate which are purchased through a local pharmacy. I am collecting bread tags for this purpose. I have a bin set up at Buller REAP. Feel free to phone me: Bev Bade 021 052 0172 for further info or to set up your own collection bin.

Foster Hope Pyjama Drive
Foster Hope are currently running our annual new pyjama drive. In 2017 we collected **10,000 pyjamas** which covered every child in care as well as some other vulnerable children within the community. I am collecting new pyjamas for children in our community. The pyjama drive runs from 1 May until 30 June. So far I have given 21 pairs of pyjamas out to children in our community. Pyjamas are also given to Oranga Tamariki to give out to children and to put into back packs for children taken into care.

I have a bin set up at Buller REAP or phone me:
